

Durham Triple Play Long Ball

COACH WORKSHOP

“Double-Goal Coach®: Coaching for Winning and Life Lessons”

This interactive workshop begins by defining the Double-Goal Coach™ as one who strives to win and works to prepare his/her team to play at its highest level, and, at the same time, teaches life lessons (teamwork, dedication, bouncing back from mistakes, etc.) to his/her players.

Coaches will receive a Double-Goal Coach certification card upon completion of the workshop.

Every participant will receive a copy of the new *Power of Double-Goal Coaching* book from PCA Executive Director, Jim Thompson.

This book provides 70 concise pages of practical ideas and tools to help coaches –from pee-wees to varsity – succeed with their dual role: to prepare their team to win, and to use competition to teach life lessons.

"I have attended PCA workshops on 3 separate occasions. Every workshop I learned something new. I feel the program is very dynamic and vital for anyone interested in coaching and making a positive impact on today's youth."
